KALLUNA POLLUTION PROTECTION

From the research in collaboration with the University of Siena, an innovative line of organic natural cosmetics based on *Calluna vulgaris*.

- Increased collagen production
- Anti-pollution effect
- Direct free radical scavenger action
- Skin renewal
- Protective biofilm
- Super moisturising effect
- Protection from oxidative damage
- Handmade cosmetics
- Organic certification
- Zero-miles raw materials
- Eco-sustainable packaging.

Dermatologically tested products, Paraben-free and PEG-free, VegetalOk, Aiab certified for organic

DETOXIFYING DAY FACE CREAM

Day cream with a light and pleasant texture. Its blend of ingredients makes it an ideal support in fighting the damage caused by pollution, leaving the face hydrated and radiant. The powerful detoxifying action is enhanced by the presence of two different extracts of Helichrysum, while Grapeseed oil promotes an emollient and smoothing effect. The antioxidant effects of Calluna and Rosa Canina have a rapid rebalancing and protective influence on mature skin. Handmade cosmetic product, Zero-miles raw materials, help to increase collagen production, has an anti-pollution action, help the skin renewal and protective biofilm. Has a super moisturising effect and help to protect from oxidative damage. Paraben-free, alcohol-free, Peg-free, Gmo-free, Natural fragrance, Cold pressed plants oils, Purified and biodynamized water, VegetalOk, Dermatologically tested, Ecological pack, Aiab certified for organic. Product made in collaboration with the University of Siena.

Ingredients :

Aqua, Vitis vinifera seed oil*, Helianthus annuus seed oil*, Cetearyl alcohol, Butyrospermum parkii butter*, Cetearyl glucoside, Rosa canina fruit extract, Parfum, Hydrogenated ethylhexyl olivate, Calluna vulgaris flower extract, Glycerin, Maltodextrin, Benzyl alcohol, Phenoxyethanol, Lecithin, Potassium sorbate, Citric acid, Tocopherol, Hydrogenated olive oil unsaponifiables, Ascorbyl palmitate, Helichrysum italicum flower extract*, Sodium benzoate.

*from organic farming.

How to use:

Apply to face and décolleté with a light massage, preferably in the morning.

Size 50 ml

REPAIRING NIGHT FACE CREAM

A face cream with powerful eudermic properties, valuable as an intensive protective treatment. Its powerful restorative and nourishing action is enhanced by the presence of extra virgin olive oil and jojoba oil. Lavender oil, which also has soothing properties, boosts the relaxing and toning action on the face. The combined effects of the active ingredients, together with the unique properties of Calluna, make the product particularly effective when applied in the evening. Paraben-free, alcohol-free, Peg-free, Gmo-free, Natural fragrance, Cold pressed plants oils, Purified and biodynamized water, VegetalOk, Dermatologically tested, Ecological pack, Aiab certified for organic.

Product made in collaboration with the University of Siena.

Ingredients :

Aqua, Cetearyl alcohol, Helianthus annuus seed oil*, Butyrospermum parkii butter*, Olea europaea fruit oil*, Cetyl alcohol, Glycerin, Simmondsia chinensis seed oil, Cetearyl glucoside, Hydrogenated ethylhexyl olivate, Parfum, Calluna vulgaris flower extract, Benzyl alcohol, Phenoxyethanol, Lecithin, Potassium sorbate, Maltodextrin, Hydrogenated olive oil unsaponifiables, Tocopherol, Citric acid, Ascorbyl palmitate, Lavandula angustifolia flower extract*, Olea europaea leaf extract*, Sodium benzoate
*from organic farming.

How to use:

Apply to the face and décolleté with a light massage.

Size 50 ml

24-HOUR PROTECTIVE FACE CREAM

Pollution defense cream that acts as a real protective shield against photoaging and pollutants to which the skin is exposed daily. The antioxidant and moisturising action of Calluna is combined with that of marshmallow and Rosa canina extracts and pomegranate oil, which act in synergy to delay the first signs of skin ageing. The product hydrates and protects the skin's hydrolipidic film, keeping it constantly radiant. Handmade cosmetic product, Zero-miles raw materials, help to increase collagen production, has an anti-pollution action, help the skin renewal and protective biofilm. Has a super moisturising effect and help to protect from oxidative damage.

Product made in collaboration with the University of Siena.

Ingredients:

Aqua, Cetearyl alcohol, Rosa centifolia flower water, Butyrospermum parkii butter*, Sesamum indicum seed oil, Simmondsia chinensis seed oil*, Cetyl alcohol, Prunus amygdalus dulcis oil, Vitis vinifera seed oil, Glycerin, Hydrogenated ethylhexyl olivate, Cetearyl glucoside, Benzyl alcohol, Phenoxyethanol, Potassium sorbate, Parfum, Tocopherol, Hydrogenated olive oil unsaponifiables, Sodium hyaluronate, Citric acid, Aloe barbadensis leaf juice powder, Malva sylvestris flower/leaf extract, Boswellia carterii oil, Citronellol, Geraniol, Pelargonium graveolens oil*, Linalool, Limonene, Citral.

*from organic farming.

How to use:

Apply in sufficient quantity on the back and palm of the hands and massage until absorbed

Size 50 ml

CREAM 24 H ILLUMINATING FACE

Face cream with a high content of hyaluronic acid, help to produce an extraordinary smoothing, firming and toning effect. In combination with extracts of *Rosa centifolia*, borage and marsh-mallow, its capacity for maintaining the skin's optimal hydration, radiance and well-being is maximized. Formulated with the addition of vitamin E, with its antioxidant properties, and precious natural oils and butters that are rich in fatty acids, to nourish and soften the skin.

Paraben-free, alcohol-free, PEG-free, GMO-free, cold-pressed plants oils, purified and biodynamized water, VegetalOk.

Product made in collaboration with the University of Siena.

Ingredients:

Aqua, Cetearyl alcohol, *Rosa centifolia* flower water, *Butyrospermum parkii* butter*, *Simmondsia chinensis* seed oil*, Cetyl alcohol, *Borago officinalis* seed oil, *Prunus amygdalus dulcis* oil, *Prunus armeniaca* kernel oil, Glycerin, Hydrogenated ethylhexyl olivate, Cetearyl glucoside, Benzyl alcohol, Phenoxyethanol, *Punica granatum* seed oil, Potassium sorbate, Parfum, Tocopherol, Hydrogenated olive oil unsaponifiables, Sodium hyaluronate, Citric acid, *Aloe barbadensis* leaf juice powder, *Malva sylvestris* flower/leaf extract, *Boswellia carterii* oil, Citronellol, Geraniol, *Pelargonium graveolens* oil*, Linalool, Limonene, Citral.

*from organic farming.

How to use:

Apply in a circular motion in the morning and evening.

Size 50 ml

LIFTING FACIAL SERUM

High-performance fluid with a high concentration of natural active ingredients, which have a plumping effect and help to improve the texture and elasticity of the skin. Hyaluronic acid penetrates deeply, restoring an immediate tightening effect to the skin and giving a relaxed and radiant appearance to the features of the face and décolleté. Aromatic *Rosa centifolia* water and extracts of *Rosa canina*, with their refreshing and eudermic properties, play an important toning, revitalising and astringent role in this serum, contributing to its antioxidant and anti-wrinkle action. Paraben-free, alcohol-free, Peg-free, Gmo-free, natural fragrance, cold pressed plants oils, purified and biodynamized water, VegetalOk.

Product made in collaboration with the University of Siena.

Ingredients:

Rosa centifolia flower water, Aqua, Glycerin, Sodium hyaluronate, Ascorbic acid, Benzyl alcohol, Phenoxyethanol, Potassium sorbate, Parfum, Citric acid, *Boswellia carterii* oil, *Rosa canina* fruit extract, Citronellol, Geraniol, *Aesculus hippocastanum* seed extract*, *Pelargonium graveolens* oil*, Linalool, Sodium benzoate, Limonene, Tocopherol, Citral.

*from organic farming.

How to use:

Apply to the face and décolleté followed by the application of the face cream

Size 30 ml

INTENSIVE EYES FOR BAGS AND DARK CIRCLES

Massaging roll-on for the eye contour based on Hyaluronic Acid, Geranium and draining plant extracts such as Cypress and Centella asiatica for a visible reduction of imperfections around the eye contour, in particular bags and dark circles. Paraben-free, alcohol-free, PEG-free, GMO-free, cold-pressed plants oils, purified and biodynamized water, VegetalOk. Product made in collaboration with the University of Siena.

Ingredients:

Aqua, Glycerin, Rosa centifolia flower water, Sodium hyaluronate, Benzyl alcohol, Phenoxyethanol, Ascorbic acid, Cupressus sempervirens fruit extract, Potassium sorbate, Parfum, Achillea millefolium extract, Plantago lanceolata leaf extract, Centella asiatica leaf extract, Equisetum arvense extract, Citric acid, Boswellia carterii oil, Citronellol, Sodium benzoate, Geraniol, Pelargonium graveolens oil*, Linalool, Limonene, Tocopherol, Citral.

*from organic farming.

How to use:

Apply in the evening to the eye contour until absorbed.

Size 10 ml

LIFT EYE CONTOUR NIGHT REPAIR

Concentrated roll-on with hyaluronic acid, gotu kola and comfrey, to help counteract fine lines around the eyes, giving firmness and support to the skin and a fresh and luminous look from the first application. Contributes to the production of collagen and vitamin E, which neutralises the action of free radicals, curbing the effects of oxidative stress.

Paraben-free, alcohol-free, Peg-free, Gmo-free, natural fragrance, cold pressed plants oils, purified and biodynamized water, VegetalOk.

Product made in collaboration with the University of Siena.

Ingredients:

Rosa centifolia flower water, Aqua, Glycerin, Sodium hyaluronate, Ascorbic acid, Benzyl alcohol, Phenoxyethanol, Potassium sorbate, Parfum, Citric acid, Boswellia carterii oil, Symphytum officinale root extract, Citronellol, Geraniol, Centella asiatica leaf extract, Pelargonium graveolens oil*, Linalool, Sodium benzoate, Limonene, Tocopherol, Citral.

*from organic farming.

How to use:

Apply in the evening to the eye contour until absorbed.

Size 10 ml

PLUMPING LIP CONTOUR

Massaging roll-on effective in moisturising and supporting the skin and restoring firmness and plasticity, thanks to the presence of hyaluronic acid and geranium essential oil, recognised for its particular anti-wrinkle, eutrophic and stimulating properties. Paraben-free, alcohol-free, PEG-free, GMO-free, cold-pressed plants oils, purified and biodynamized water, VegetalOk.

Product made in collaboration with the University of Siena.

Ingredients:

Aqua, Rosa centifolia flower water, Sodium hyaluronate, Benzyl alcohol, Phenoxyethanol, Ascorbic acid, Althaea officinalis root extract, Potassium sorbate, Parfum, Allantoin, Hydrolyzed oat protein, Xanthan gum, Pelargonium graveolens oil*, Citric acid, Boswellia carterii oil, Citronellol, Geraniol, Linalool, Limonene, Tocopherol, Alpha-isomethylionone, Citral, Cinnamyl alcohol.

*from organic farming.

How to use:

Apply in the morning and evening to the lip contour until absorbed.

Size 10 ml

GREEN MAN'S LINE

A specially formulated men's cosmetic line for the care of men's skin on both the face and body. Thanks to the elasticising, antioxidant and toning properties of its plant extracts, it performs an important revitalising action, visibly reducing the signs of fatigue and ageing.

ORGANIC ENERGISING AND DYNAMISING SHOWER SHAMPOO

A delicate organic cleanser suitable for the frequent washing of the body and hair, it ensures the gentle and careful cleansing of the body and hair, thanks to refined surface agents of exclusively plant-based origin and selected extracts of plants that have a revitalising and skin rebalancing action, such as cypress, green tea, rosemary and horse chestnut. In contact with water, the plant extracts immediately release their fresh fragrance, for a refreshing shower that is kind to the skin and hair. Does not contain sulphates. Paraben-free, alcohol-free, Peg-free, Gmo-free, purified and biodynamized water, hypoallergenic fragrance, VegetalOk, Aiab certified for organic.

Ingredients:

Aqua, Rosmarinus Officinalis Leaf Water*, Cocamidopropyl betaine, Glycerin, Decyl glucoside, Caprylyl/Capryl Glucoside, Sodium Chloride, Parfum, Sodium Lauroyl Sarcosinate, Aesculus Hippocastanum Seed Extract, Camellia Sinensis Leaf Extract, Cupressus Sempervirens Fruit Extract, Tocopherol, Xanthan Gum, Benzyl Alcohol, Phenoxyethanol, Potassium Sorbate, Citric Acid.

*from organic farming.

How to use:

A small amount is enough to gently cleanse the hair and skin, leaving it toned and fragranced.

Size 200 ml

NATURAL INTENSIVE FACIAL SERUM

Special intensive serum, with strong plumping and relaxing properties. With blueberry, liquorice and cypress extracts, which stimulate and protect collagen production from the effects of oxidising agents, while promoting a toning and protective effect on the blood capillaries. Light and airy, it is not greasy and immediately penetrates deeply, leaving the skin soft and pleasantly moisturised. Paraben-free, alcohol-free, Peg-free, Gmo-free, purified and biodynamized water, functional active ingredients, hypoallergenic fragrance, VegetalOk.

Ingredients:

Aqua, Glycerin, Vaccinium Myrtillus Fruit Extract, Glycyrrhiza Glabra Root Extract, Cupressus Sempervirens Fruit Extract, Camellia Sinensis Leaf Extract, Aesculus Hippocastanum Seed Extract, Symphytum Officinale Root Extract, Parfum, Xanthan Gum, Phenoxyethanol, Benzyl Alcohol, Potassium Sorbate, Sodium Benzoate, Tocopherol

*from organic farming.

How to use:

Apply a small amount to be absorbed with a gentle massage

Size 15 ml

ALOE HAND AND NAIL CREAM

This special fast-absorbing cream is ideal for effectively and naturally nourishing and protecting the skin, leaving it soft and pleasantly scented. The presence of Aloe improves the moisturising and repairing capabilities of even the most dehydrated skin, reducing redness and inflammation, while the synergy of precious oils and butters and the natural extracts of horse chestnut, green tea and cypress repair micro-lesions of the skin, while also helping to strengthen the nails. Paraben-free, alcohol-free, Peg-free, Gmo-free, purified and biodynamized water, functional active ingredients, hypoallergenic fragrance, VegetalOk.

Ingredients:

Aqua, Cetearyl alcohol, Simmondsia chinensis seed oil*, Butyrospermum parkii butter*, Cetyl alcohol, Sesamum indicum seed oil, Oryza sativa bran oil, Hydrogenated ethylhexyl olivate, Cetearyl glucoside, Glycerin, Benzyl alcohol, Phenoxyethanol, Parfum, Potassium sorbate, Hydrogenated olive oil unsaponifiables, Tocopherol, Canola oil, Aesculus hippocastanum seed extract, Camellia sinensis leaf extract, Cupressus sempervirens fruit extract, Citric acid, Aloe barbadensis leaf juice powder, Vitis vinifera leaf extract*, Sodium benzoate, Rosmarinus officinalis extract.

*from organic farming.

How to use:

Apply a small amount to the back of the hand, the cuticles and the base of the nails, massaging until absorbed.

Size 50 ml

FACE AND EYE CONTOUR CREAM

Cream specially formulated for the care of male facial skin, especially as a smoothing agent for roughness of the eye contour. Thanks to the elasticising, antioxidant and toning properties of its plant extracts, it performs an important revitalising action, visibly attenuating the signs of fatigue from the face. Paraben-free, alcohol-free, Peg-free, Gmo-free, purified and biodynamized water, functional active ingredients, hypoallergenic fragrance, VegetalOk, Aiab certified for organic.

Ingredients:

Aqua, Helianthus Annuus Seed Oil*, Cetearyl Alcohol, Glycerin, Vitis Vinifera Seed Oil*, Butyrospermum Parkii Butter*, Linum Usitatissimum Seed Oil, Cetearyl Glucoside, Simmondsia Chinensis Seed Oil*, Borago Officinalis Seed Oil, Hydrogenated ethylhexyl olivate, Hydrogenated Olive Oil Unsaponifiables, Cupressus Sempervirens Fruit Extract, Camellia Sinensis Leaf Extract, Aesculus Hippocastanum Seed Extract, Parfum, Tocopherol, Phenoxyethanol, Benzyl Alcohol, Potassium Sorbate, Citric acid.

*from organic farming.

How to use:

Apply in a circular motion to the face and eye area.

Size 50 ml

ORGANIC FLUID AFTERSHAVE

A fresh and light emulsion, based on shea butter, sweet almond oil, argan oil and vitamin E, which form a fluid that not only nourishes and softens the skin, but also protects it from photo-ageing. Restores hydration and calms redness after shaving. Its richness in emollient active ingredients also make the product ideal for applying before shaving, especially in the case of sensitive skin. Does not contain ethyl alcohol.

Paraben-free, alcohol-free, Peg-free, Gmo-free, purified and biodynamized water, hypoallergenic fragrance, VegetalOk. Aiab certified for organic.

Ingredients:

Aqua, Prunus amygdalus dulcis oil, Cetearyl alcohol, Butyrospermum parkii butter*, Hydrogenated ethylhexyl olivate, Cetearyl glucoside, Argania spinosa kernel oil*, Benzyl alcohol, Phenoxyethanol, Parfum, Potassium sorbate, Hydrogenated olive oil unsaponifiables, Citric acid, Tocopherol.

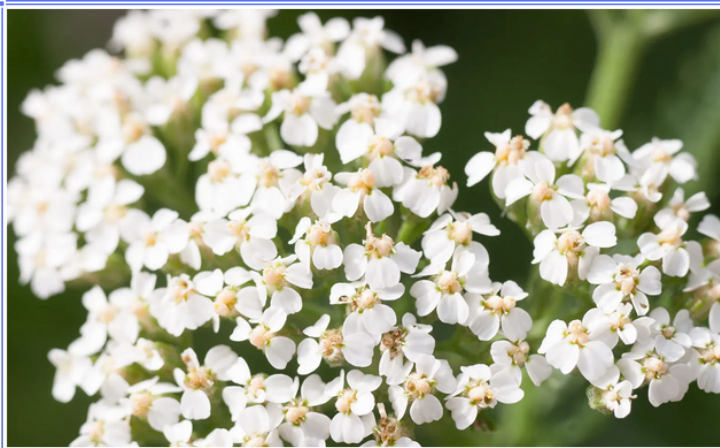

*from organic farming.

How to use:

Apply an appropriate amount to freshly shaved skin, massage until absorbed. Also recommended as a shaving emulsion, before shaving.

Size 100 ml

ANISA PROFESSIONAL LINE

Anisa is a line of professional cosmetics inspired by Traditional Mediterranean Medicine. These cosmetics incorporate thousands of years of Greek and Roman medicinal knowledge, such as the Four Element Theory and the Hippocratic Humoral Theory, Exclusive features of this line:

- Very high percentages of medicinal plant extracts in all products.
- A compact line that allows maximum customisation in tackling all facial and body imperfections for every individual.
- Ancient, traditional and artisanal production methods allow the vitality of the plant to be maintained unaltered, according to the principle of the total phytocomplex.
- Made in Italy: exclusively Italian production.
- Tangible results from the first treatment, with maximum product safety and bio-affinity.
- Products free from Parabens, GMO, PEG, Silicones, Paraffins.
